Dear Parent/Carers,

Free school meals applications

We understand that times are changing for many families and some families will now be faced with redundancy and loss of income. The Government are today launching a scheme where every child eligible for free school meals will be entitled to a £15 voucher to be used at local supermarkets. Once we have further instruction as to how the voucher scheme will work we will let parents know.

In the meantime if you would like to apply for free school meals please apply online using the following link –

http://www.rochdale.gov.uk/schools-and-education/Pages/free-school-meals.aspx#

If you are unable to send the application off yourself please call into the school office between 8am and 4pm Monday to Friday and we will provide a paper copy of the form for you to complete and we will email this to the Local Authority on your behalf.

Kind regards

Catherine Parr
School Business Manager
