

## BOARSHAW PRIMARY FAIRTRADE GROUP

Tuesday 8<sup>th</sup> March 2016

### **Absent: Ciolan, Amy and Ryan**

At the meeting, the group discussed the assembly which took place the week before and activities planned for Fairtrade Day (Friday 11<sup>th</sup> March).

#### Assembly

Children who took part in the assembly were congratulated on their input. Katie said they were fantastic and had really clear voices. Kelci commented that they were excellent readers-really loud.

#### Fairtrade Breakfast

We discussed the 'Wake up to the Big Fairtrade Breakfast' event. What drinks were going to be available and the flavour muffins. Children said they had received the letter inviting parents to attend. The children said that they hoped lots of parents attended as it would be a really exciting and interesting morning. Especially with parents/grandparents going into the classes to take part in the activities.

Mrs Beehan would ask if the Fairtrade team are needed to help out in the morning and advise the children by Thursday 10<sup>th</sup>.

We looked at the raffle prizes which would be raffled during Friday's Whole School assembly. We agreed that a letter to thank Mrs Meehan for making the Chocolate Tree should be written. Mrs Beehan would arrange for one of the team to do.

Finally we talked about working towards the next award. We briefly looked at the criteria and will discuss in detail at the next meeting.

The children said they were looking forward to is 'Wake up to the Big Fairtrade Breakfast' and the day's class activities which would teach the rest of the school about the importance of Fairtrade.
