

Year 3 - Class Newsletter

Spring Term 1 2023

Dear Parents and Carers,

Hope you all had a lovely Christmas break! Thank you to parents/carers for your support in ensuring that your child completes their online homework and reading at home. Below are some reminders for this term of what we expect each week.

Reading: Children will take home a reading book (which will be changed weekly once they are able to read the questions based on the text) and an Accelerated Reader Book (these can be changed regularly after completing online quizzes in class). Please note that these books will only be sent home with the children who are reading regularly at home and bringing their book to school. Pupils should be reading at home daily to help increase their pace and fluency. Please ensure you sign and date your child's reading record to show they have read at home/finished a book.

Homework: Spelling homework will be Spelling Shed. The children should login Monday until Thursday night to complete 3 activities. Times Tables Rock Stars will be the weekly maths homework and children should complete 15 minutes practice.

Please make sure you provide your child with the correct uniform for PE. Black shorts, pumps and a white t-shirt. A jumper and tracksuits may be needed for outdoor PE.

Should you have any concerns or questions please let us know. You can contact us via the Class Dojo app.

Many kind regards,
Mrs Thackway (Octopus) & Mrs Whalen (Seahorses)

What are we learning?

LC7- Reflection: Working in groups the children put together an ICT presentation of the life of Early Britons taking account of their weapon, food, ways of communicating and eating.

As Geographers we will be answering these questions:

LC1- What is global warming and should we be worried about it?

LC2- What is a rainforest and where are they?

LC3-What can you find out about an endangered animal?

LC4- What would a day without electricity look like?

LC5- Why do we have more than one waste bin?

LC6- What can we do to help us protect the planet?

LC7- Can we present our findings to an audience?
