Monday 4th September 2023

Dear Parent/Carer,

Reinforced Autoclaved Aerated Concrete. (RAAC)

You may be aware from media coverage that the government has asked some schools to close or partially close due to the presence of reinforced autoclaved aerated concrete (RAAC) in their school buildings. We understand that this is an unsettling news story and that it may naturally have led you to wonder about the safety of our school building.

Our school building does not contain RAAC and is fully safe to open.

We confirmed this in January 2023 with Property Services at Rochdale LA.

I hope that this provides reassurance, and we look forward to welcoming your child to our safe and secure learning environment.

Kind regards,

Jackie Harland

Head Teacher
