

BOARSHAW PRIMARY FAIRTRADE GROUP

Tuesday 26th September 2017

Present: Bobby, Isla, Lily, Kady, Kai, Lily, Ella, Emaleigh, Alfie and Mrs Beehan.

To start the meeting, Mrs Beehan showed the Fairtrade symbol and asked if the children had seen it before. Some children had noticed it on the Fairtrade display or on certain chocolates. (Maltesers, Kitkat)

Next we talked about why we wanted to be on the Fairtrade team for this school year. Most wanted to learn a little bit more about Fairtrade and how it impacts on the farmers. When asked what they already know about Fairtrade, this is what they said:

- **“It helps the farmers when they haven’t got any money”- Lily**
- **“Farmers make food and get paid a fair amount for it”-Ella**
- **“Kitkats are Fairtrade”-Kady**

Mrs Beehan showed the children a video from the Fairtrade website where a farmer talked about how he benefits from being part of the Fairtrade Foundation.

We then discussed about the work the previous groups have done to achieve the first 2 awards (Fairaware and Fairactive).

The children were asked to think about any ideas they had which we could use this year and they could bring these ideas to the next meeting.
