## Autumn Term 2 Topic Unit Pack

### Who can help us?

Children explore the different people who help us, including how we, our friends, and adults in school can help us. We learn how to be a good friend to others. We learn about the emergency services and how they can help us. We also learn about the people who help to keep our bodies healthy. Children also think about what they want to be when they grow up.

Who can help us?

Essential Knowledge

By the end of this unit our pupils will know...

- Who helps us at school, at home and in the wider community
- How we can help other people
- The different emergency services and their roles, as well as how to access help in an emergency
- How to keep our bodies and minds healthy and who can help us to do so
- How to talk about our ambitions for the future

## Launch

Trust exercises – balancing on a beam, navigating a simple obstacle course blindfolded. Why is it important to have people to help us?

## Explore

Children will explore the people who help them in different parts of their lives and learn how to ask for help. They will explore how to keep their minds and bodies healthy. They will think about what makes them special.

## Celebrate

We will plan our own celebration with special foods and activities.

## Vocabulary

festival, celebrate, Diwali, Autumn, emergency, fire fighters, police, doctors, ambulance, hygiene, exercise, ambition, jobs
