

Well done to Seahorses class who achieved 99.66% attendance last week.

Please ensure that all children come to school every day in full uniform and they bring a coat with them, as children play out in all weathers.

Can we also request that all pupils in Nursery and Reception have a spare set of clothes including underwear, on their peg at all times and if clothes are sent home, that you return another set the next day.

Governors

We have a new Chair of Governors – Mr Osagie Omonjahio, and we will be sending out termly Governor newsletters on his behalf. The Governor's will also be implementing a Governor's suggestion box which will be situated in the main entrance of school. We ask that you write your suggestions on paper and post them through the box which will be locked. The idea is that you come up with ideas of how Governor's can make the school community a better place and make the school the best it can be. This is not a place for complaints, and the usual complaints policy and procedure (on the school website) should be followed should you wish to lodge a complaint.

Last day breakfast

Please look out for an email to inform parents that we are hosting a last day special breakfast on 22nd December. Parents have to book and pay on ParentPay by Friday 8th December. This is so that we can order food. If you try to book after this date your booking will be cancelled. Even if your child usually attends you still need to book and pay by 8th December. Once you have paid, the credit will stay on your account until the day.
